## MARVELOUS MAIPU

Today you will be picked up at your hotel and taken to one of the oldest wine-producing regions in Mendoza: Maipu.

First up, visit the beautiful grounds of **Domaine St. Diego**, tended by winemaker Angel Mendoza's family. Angel Mendoza was the head winemaker at Trapiche winery (Argentina's largest winery), before pursuing this family project. Appreciate the family philosophy of optimizing space and resources by producing a diverse portfolio of products including sparkling wine, varietals, blends, ports and even olive oil! Get a lesson on viticulture as you learn about Malbec at this charming boutique winery.

Next, travel further into Maipu, through the backcountry roads until you cross over the Mendoza river and arrive at the beautiful **Finca Agostino** winery. Learn the secrets to Argentine cuisine under the careful hand of Chef Sergio and his assistant Lucas all while enjoying their highly prized wines. Test your hands in this beautiful outdoor kitchen resembling an oasis in the desert. Afterwards, enjoy the fruits of your labor and sit down to a relaxing lunch overlooking the vineyards.

After lunch, return to your hotel for a relaxing evening.
