SWIRL THE UCO VALLEY (TUNUYAN)

Today you will be picked up at your hotel and taken to the vast Uco Valley.

First up, visit the tiny, yet ultra-modern **Corazon del Sol**. Being his third winery worldwide, owner Dr. Madaiah Revana, has created a place with impeccable malbec-based wines. Sip through the boutique collection and taste the vigor and uniqueness of his high altitude varital.

Next, experience the perfect combination of Argentine essence in the family owned and operated winery, **Gimenez Riili**. Begin with expansive views of the Andes Mountains as you barrel taste well extracted, high altitude, Malbecs and Merlots in the company of the owners. Swap business stories, and perhaps your favorite bottle of wine, with this prominent entrepreneurial family.

For lunch, visit one of the valley's newest and brightest endeavors. The **Zuccardi** family has been making a name for themselves in the Argentine wine industry for decades now with their winery in Maipu, and now, a beautiful new facility in Tunuyan. The world-class architecture, incredible pieces of art, pristine views of the Andes and Zuccardi quality wines perfectly paired with an innovative 4 course menu, are sure to all come together and create a truly unique experience.
