CUSTOM-BUILT ADVENTURES IN ARGENTINA'S WINE COUNTRY

MENDOZA FAMILY FOOD AND CULTURE TOUR

Getting away on a family vacation to a destination known for its wine and food, could be the bonus opportunity to check-in with the kids, slow down and indulge. Mendoza is an incredible family friendly destination bursting with opportunities to engage in food, agriculture and mountain recreation from the perspective of play. Our tours are designed to bring out the kid in everyone, making them memorable and active for multigenerational groups.

The Mendoza Culture Tour highlights how this region, transformed by the use of water, has become an important farming region, wine producing capital and highly esteemed recreational hub.

WELCOME TO MENDOZA

DAY 1 CAN BE: THURS, FRI, SAT, SUN, MON

Begin with a warm reception in MDZ airport and transfer to a stunning Andean Resort in the Uco Valley. Meet with our team for a special welcome dinner and review the full program in detail to answer any questions. Get savoring.

AGRICULTURE AND ARCHITECTURE

DAY 2 (B, L)

Awaken in the beautiful Uco Valley and prepare to explore the local scene with your guide. Spend the morning with small agricultural producers and homesteaders for a taste of local living, including fruit harvesting, pottery making, mate drinking and tortita eating. Savor a traditional lunch at the iconic restaurant Los Abuelos and while listening to local folks play guitar. Take an exclusive tour with esteemed architectural firm Huges Mora and learn about the modern design and technical integration of Familia Zuccardi's newest producing winery. Fine art, natural landscapes and sophisticated wines come together for a memorable experience the whole family will appreciate. Dine this evening in the comfort of the resort, spend time in their eclectic game room and gaze at the star-filled southern sky.

SECRETS BEHIND GRAPE GROWING AND WINEMAKING

DAY 5 (B, L)

Following breakfast, prepare for a day learning about growing olives and our famed grape, Malbec. Immerse yourself into the history of Argentina winemaking on an eclectic tour with antique machinery, underground tasting caves and an impressive collection of fine woven ponchos. The parents will get to taste a few wines while the children absorb the anecdotes of the Benegas family. The next winery gets you moving around the vineyard on two wheels for a fun interactive biking tour. A light lunch of savory empanadas and grilled vegetable and premium wines will be provided at the winery.

A TASTE OF MENDOZA

DAY 6 (B, L, D)

Dive deeper into the local culture and learn how to replicate the flavors of Argentina once back at home in a private interactive cooking class. Belly up to the kitchen peninsula with our beloved chef for hours of entertainment and food for the soul. This morning will be spent in the comfort of a family winery. Art galleries, garden tours and wine tasting will delight those who prefer not to cook. In addition to the culinary secrets, we provide an exclusive cultural performance of Argentine tango and folklore, a real taste of the local arts.

Spend the afternoon back at the hotel pool or stroll through the charming neighborhoods visiting galleries. Close this special day with a guided evening city tour and closing dinner at our favorite Italian family restaurant.
